

PRESS RELEASE OF HANCOCK COUNTY BOARD OF SUPERVISORS

May 19, 2020

On May 18, 2020, the Hancock County Board of Supervisors authorized the immediate reopening of the restrooms adjacent to the Washington Street pier and at the Cedar Point boat launch. The County will sanitize the bathrooms daily. Persons utilizing the facilities are required to use proper hygiene at the facilities and comply with all CDC and Department of Health guidelines concerning COVID-19 safety and precautions. Those persons are further required to maintain the sanity of the facilities after the use, and each of the persons acknowledging and cognizant of the potential COVID-19 existing at any facilities or use of public facilities during this state of emergency.
